

Scrubber drier Metos BD 38/12 C Bp Pack

Product information

SKU	4000879
Productnaam	Scrubber drier Metos BD 38/12 C Bp Pack
Afmetingen	500 × 940 × 1100 mm
Gewicht	36,000 kg

Description

Highly manoeuvrable, user-friendly and easy-to-maintain, the BD 38/12 C scrubber drier is a highly professional and efficient tool for cleaning small areas and cluttered surfaces. The machine is equipped with a disc brush 38 cm in diameter. The new lithium-ion battery has a prolonged run time, making it three times more durable than conventional lead batteries. It is completely maintenance-free and quick to recharge. The eco!efficiency mode reduces energy consumption, increases the run time and lowers the noise level by around 40%. The BD 38/12 C, which is 35% lighter than the other machines in this unit class, helps you to negotiate steps and facilitates transport.

- disc brush
